

Aid To Our Wounded

NROTC *Honoring Their Sacrifice... Now!* National Remember Our Troops Campaign

Blue Star Service Banner

Dear Fellow American,

Thank you for helping NROTC to honor those who are serving our country!

As the war on terrorism rages on, it is only because of our nation's bravest and finest men and women that stand ready to risk life and limb to protect our country and our way of life, that we remain out of harm's way. Please remember that for every brave trooper serving, there are family members back home "serving" and sacrificing, with them.

The NROTC mission is to recognize our U.S. military service members, AND their families, for the sacrifices they make, and to let them know they are not forgotten, by providing them with free Blue Star or Gold Star Service Banners.

While not widely known, a Service Banner displayed in the window of a home is a long-standing tradition in America dating back to World War I. The Blue Star Service Banner signifies that someone in the home is serving in the U.S. Armed Forces. If a trooper dies while serving, the blue star goes gold. We invite you to learn more about these service banners and their significance in American military history on our website at: **www.NROTC.ORG**

NROTC also works to contribute to the relief of distressed military service members, recent military service veterans, especially the wounded, their immediate families, and the immediate family members of those who have died.

It is because of the generous contributions of caring Americans like you that NROTC is able to honor and support our brave men and women in uniform and their families.

On behalf of the millions of the mothers, fathers, husbands, wives, sons and daughters that are praying for the safe and speedy return of their loved ones, I salute you and thank you for honoring our Troops and their families.

NROTC raises it's own funds. Your donation will directly help NROTC in honoring the sacrifices of those who are giving for their country... NOW!...
